Dear Jane

RE: Young People's Health and Emotional Wellbeing Report

Thank you for sharing your Healthwatch Report on '*Young People's Health and Emotional Wellbeing*' and the associated recommendations. The feedback has helped us to identify specific actions that we can take to improve service across Worcestershire for young people.

As requested, we have produced a plan that sets out what these specific actions are (enclosed). The Worcestershire Children and Young People's Emotional Wellbeing and Mental Health Partnership Board will be responsible for overseeing system delivery against these actions.

I hope the response to your recommendations demonstrate our collective commitment to acting upon the feedback provided within your report. May I take this opportunity to thank you again for the work undertaken, and for your ongoing support in seeking to improve services for young people across Worcestershire.

Yours sincerely,

Simon Trickett
Chief Executive
NHS Herefordshire and Worcestershire CCG
