

LGBT+ Young People’s Survey

Healthwatch Worcestershire finds out what people think about health and social care services. We use this information to tell those who run the services how they can be improved.

We want to hear the views and experiences of young people age 16 to 19 in Worcestershire who identify as LGBT+ (lesbian, gay, bisexual or transgender) or who are questioning.

The information you provide is confidential, although we may use anonymised quotes - *More information is available in our Privacy Statement on our website*

By completing this survey you are agreeing that you identify as being LGBT+ or questioning and that we can use your feedback as described above.
